

## Scottish Society of Anaesthetists Spring Meeting 2021 Posters

1	James McGuinness	Burnout Survey and Use of Mindfulness during COVID-19 Pandemic at University Hospital Hairmyres
2	David MacPherson	Development of Hospital APP to improve efficiency and connectivity in the workplace
3	David MacPherson	Development of Regional Anaesthesia Sticker to Aid Standardisation of Documentation
6	Maria Smith	Community Acquired Pneumonia Screening
8	<i>Kay McCubbin</i>	An audit into the development of post-operative delirium following an emergency laparotomy or laparoscopic procedure at the Glasgow Royal Infirmary over the 2017/18 period
14	<i>Lucy Bishop</i>	Audit of blood tests taken on paediatric patients undergoing hip surgery
16	<i>Caitlin Tyas</i>	Survey on the Use of Chlorhexidine Products in Scottish Critical Care Units
20	Fenella Barlow-Pay	Reducing Delays to Hip Fracture Surgery
24	Larissa Latif	Improving analgesia prescribing by FY1 doctors in a Scottish district general hospital
28	<b>Jasmine Samuel</b>	Improving confidence of Recovery Staff by implementation of ReCITe (Resuscitation and Critical Incident Teaching)
30	John Wilson	Can we rationalise ICU utilisation post emergency laparotomy? A baseline audit of current practice
31	Teodora Filipescu	An audit on incidence of acute kidney injury and post-operative outcomes in patients undergoing elective colorectal surgery at a district general hospital in Scotland
33	Lucy Guile	Cosmetic botulinum toxin A (Botox) injections and neuromuscular monitoring – a case report
35	Clare Twomey	Comparison of the post-operative recovery and side effect profile of spinal anaesthesia with and without intra-theal morphine for primary knee arthroplasty
36	Arran Keir	Improving Rib Fracture Analgesic Management in University Hospital Wishaw
37	Michelle McGarraghy	Old or new? Perceived value weightings for Obstetric GA techniques
39	Stuart Campbell	Spinal anaesthesia + transversus abdominis plane (TAP) block for open repair of umbilical hernia
40	Tina Bylinski	Improving analgesia choices: a prospective quality improvement project
41	<b>Christina Page</b>	Unexplained lactic acidosis and multiple organ failure resolved completely with thiamine: Shoshin beriberi
44	Gary Thomson	Pushing Remifentanyl PCA – are we delivering a fair and full choice in labour analgesia?
45	Lucie Litvack	MINDD: Perioperative risk reduction of delirium
46	<i>Rona Myatt</i>	General anaesthesia for elective caesarean section in a tertiary referral obstetric centre
47	Lucie Litvack	An analysis of outcomes following patient assessment at the high risk anaesthetic clinic
51	Ruoling Yan	Is your ICU bed position contributing to your risk of delirium?
52	James Golding	Experience with lipid rescue and local anaesthetic toxicity in Scotland: a survey
53	<b>Michael Kerr</b>	How to #FightFatigue Hospital Wide
56	<b>Nicola Hogan</b>	Hypertensive crisis and incidental pheochromocytoma during routine day case surgery

57	Benjamin Tanner	Costs, beliefs and use of intravenous versus oral paracetamol in an Orthopaedic Trauma unit
<b>58</b>	<b>Tom Aitken</b>	Impact of covid-19 on training opportunities
59	Katherine Booth	Severity Markers in Critical Care Patients with COVID-19 Infection
<b>60</b>	<b>Seong Hoon Lee</b>	Post-operative modified-release opioids: prescribing practice among anaesthetists
<b>61</b>	<b>Michael Kirkham</b>	ACDF hardware migration leads to challenging airway case
64	Abigail Short	Number of pre-hospital medications and ICU outcome – a potential measure of frailty?
65	John Gardner	How ICU medications change during the ICU admission
<b>68</b>	<b>Nicola Hogan</b>	Characteristics of remifentanyl PCA use for labour analgesia at the QEUH maternity unit over one year
<b>69</b>	<b>Michelle McGarraghy</b>	A survey of current practice, proficiency and training in placement of erector spinae plane (ESP) blocks in Glasgow Royal infirmary (GRI)
72	Alasdair Turnbull	Developing an online Primary FRCA OSCE course

Submissions in **bold** text have been shortlisted for the poster prize, those in *italic* text are medical student submissions
